MANAGEMENT DISCUSSION AND ANALYSIS REPORT**INDUSTRY STRUCTURE AND DEVELOPMENT.**

Your company's operation has been greatly affected due to continued recession in the western world. This forced the Company to accept orders at very low prices and the product portfolio had to be changed continuously. The quality cost due to such continuous change of product has also impacted our profitability. Raw materials prices have also continuously fluctuated aggravating the situation. With this the power crisis with frequent shut down has caused enormous losses due to material rejection in the CNC Divisions

Each problem is being addressed to the best of the management ability and the Company is confident of turning around in the current year. Your company will be part of the country's growth pattern and it will better its results in the current year.

OPPORTUNITIES

The Industrial development in India has been very good and it is continually in a expansion rate in the current year. With particular reference to our Company's Product the growth of the 4 wheeler automotive market has been excellent.

THREATS

Hardening of interest rates, lack or inadequate credit facilities extended by the banks to the customers, materials and other inputs, fluctuating foreign currency, pricing pressure, global recession etc., are threat thrown to the auto component industry. Any economic slow down leading to reduced growth in the vehicle industry, inflationary pressure and spiraling of input cost due to external factors may influence the profitability of the company.

RISKS AND CONCERNS

The company recognizes that proper risk identification, evaluation and mitigation would help to achieve its target of sustained profitability and growth.

The upward variation in raw material prices adversely affects profitability. Hence the company constantly monitors raw material price and revises the selling prices of its' products accordingly.

The risk is assessed in Strategic Planning and Business Review & Planning. The Company continues to comply

with the strictest of the environmental norms and regulations.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The company has adequate internal control systems to monitor internal business process, financial reporting and compliance with applicable laws. The company periodically reviews the adequacy and effectiveness of the control systems. The Audit Committee at their meetings regularly reviews the significant observations of the compliance and other monitoring reports. The heads of various monitoring / operating cells and statutory auditors are invited to attend the Audit Committee meetings

HEALTH, SAFETY, SECURITY ENVIRONMENT

The Company already has in place its own Safety System. Regular training is imparted to the workers and staff at all levels. The increased focus on safety has resulted in improved safety records at all our Plants and thus has improved the working environment.

HUMAN RESOURCES / INDUSTRIAL RELATIONS

Employer - employee relations continued to remain cordial during the year. Training and development of employees continue to be an area of prime importance. The devotion and commitment of our employees has enabled the Company to fulfil its targets and deadlines in time. The total number of people employed in the Company as on 31st March 2010 was 285.

RISK MANAGEMENT.

Risk Management is an integral part of the business process, With the help of experts, the Company mapped the risks at the business processes and enterprise levels and evolved a risk management framework. Mitigative measures have been identified in respect of the latter. These would be periodically reviewed by the Board of Directors.

CAUTIONARY STATEMENT

The Management Discussion and Analysis Report contains forward looking statements based upon the data available with the Company, assumptions with regard to global economic conditions, the government policies etc. The Company cannot guarantee the accuracy of assumptions and perceived performance of the Company in future. Therefore, it is cautioned that the actual results may materially differ from those expressed or implied in the report.

REPORT OF THE AUDITOR'S TO THE SHAREHOLDERS

We have audited the attached Balance Sheet of LGB Forge Limited, Coimbatore, as at 31st March, 2010 and also the Profit and Loss Account for the year ended on that date annexed thereto and the cash flow statement for the period ended on that date. These financial statements are the responsibility of the Company's Management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with Auditing Standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the over all financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As required by the Companies' (Auditor's Report) Order, 2003, and according to the information and explanations given to us during the course of the audit and on the basis of such checks as were considered appropriate, we enclose in the Annexure a statement on the matters specified in paragraph 4 of the said Order.

Further to our comments in the Annexure referred to above, we report that:

- 1] We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit.
- 2] In our opinion, proper books of accounts as required by law have been kept by the Company so far as appears from our examination of those books.

Coimbatore

1. Accounting Convention

The financial statements have been prepared under Historical Cost Convention on the basis of going concern and in accordance with the accounting standards referred to in Section 211 (3C) of the Companies Act, 1956, wherever applicable.

2. Fixed Assets & Depreciation

- a) Fixed Assets are stated at original cost net of tax / duty credits availed, if any, less accumulated depreciation, accumulated amortization and cumulative impairment. Costs include pre-operative expenses and all expenses related to acquisition and installation of the assets concerned.
- b) Own manufactured assets are capitalized at cost including an appropriate share of overheads.
- c) Depreciation on Plant and Machinery, Motor Cars, Trucks and Vans has been provided on straight-line method at the rates specified in the Schedule XIV of the Companies Act, 1956.

Depreciation on tools and Dies are provided on the basis of useful life as determined by the Company.

Depreciation in respect of other assets has been calculated on written down value method as per the rates specified in Schedule XIV of the Companies Act, 1956.

Based on technical opinion, windmill is considered as a continuous process plant and depreciation is provided at the rate applicable thereto.

- d) As at each balance sheet date, the carrying amount of assets is tested for impairment so as to determine;
 - i) the provision for impairment loss, if any, required or;

- ii) the reversal, if any, required of impairment loss recognised in previous periods.

Impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount.

3. Investments

- a) Long Term Investments are stated at cost.
- b) Current Investments are carried at lower of cost and fair value as on the Balance Sheet date.
- c) Provisions for diminution in value of long term investments is made, if the diminution is other than temporary.

4. Valuation of Inventories

- a) Inventories are valued at lower of cost and estimated net realizable value. Cost is arrived at on weighted average basis.
- b) Excise Duty is added in the Closing Inventory of Finished Goods.
- c) The basis of determining cost for various categories of inventories are as follows:
 - i) Raw Materials, Packing Materials and: Stores and spares : Weighted Average basis.
 - ii) Finished Goods and Work-in-Progress : Cost of Direct, Material, Labour and other Manufacturing overheads.

5. Revenue Recognition
